OCTOBER 2009 // skimag.com

Pack smarter, and avoid overweight baggage fees. This reversible top does double-duty: base layer by day, trendy après top by night.

**ALP-N-ROCK
LADIES KITZ**

All Alp-N-Rock's base layer tops (also available in men's styles) are made from organic cotton and recycled fabric. \$245; alpnrock.com

JULBO REVOLUTION

Julbo's polycarbonate zebra lens keeps up with both you and the day's ever-changing light conditions. \$150; julbousa.com

RAEN NOVAL

Wayfarers may be retro, but these handmade Noval sunglasses are up and coming, and they offer 100 percent UV protection. \$115; raenoptics.com
